

Dear Speakers:

Due to a tight schedule, each paper will have 15 minutes for presentation. Depends on the availability of time, questions and answers (Q&A) will be handled flexibly by the session chair. In some cases, Q&A will only be entertained at the end of each session.

Only overhead and slide projectors will be available. LCD projectors will NOT be available. In any case, the time will not allow loading and setting up the LCD projector for each presentation.

If you are not the speaker of your paper, please forward this to the one who is. Thanks.
